NARRATIVE

In November 2013, I, Detective K. Brewster #12144 was contacted by Judie Andrews in reference to her sister-in-law, Mabel Louise Andrews. Judie advised that she married into the family and that she was inquiring where the investigation stood in regards to Mabel being missing since 1976. I ran Mabel on teletype and there was no record found for a missing persons report with her name and date of birth. I requested Records to look for any reports and there were none found concerning Mabel.

I found a living sister, who is a non-identical twin to Mabel by the name of Mary Catherine Andrews Brown. Mary and I met where we discussed her sister's disappearance in 1976. Mary stated that her sister was a habitual runaway and that she frequented the Green Parrot and was known to get into vehicles with men. Mary stated that her sister never reached out to her and she does not know whether she is alive or dead. Mary also stated that her parents are deceased and always held hope for Mabel to return but she never called or reached out to them. The last known sight of Mabel was 1/16/1976 when she was recovered by the Orlando Police Department after being reported missing since 12/24/1975.

On 11/21/13, I obtained a DNA mouth swab from Mary and it will be entered into NAMUS to attempt possible matches. Due to NCIC/FCIC conformity, the report is listed as a missing person-adult despite the person being a juvenile at the time of disappearance. Teletype Operator #18835 entered Mabel into NCIC/FCIC.

This case is an OPEN INVESTIGATION.
